April Prayer Guide - C.E. (initials given for security) South Asia

**Sunday, April 6 – South Asia.** Greetings again South Main, I am IMB missionary C.E. Sadly, I cannot provide you my real name or show my identity because I serve in a closed country, where it is unlawful to share the Gospel. I graduated from Lander University and know several of your church members including Andy. Prior to this new assignment I served in West Africa for 7 years. With this new opportunity, I am looking to expand my prayer network with churches like SMBC. Here is how you can pray for me today. Continue to pray for my language learning as I have now been on the field for 8 months. Many people in this urban city speak English, but I want reach proficiency in their heart language.

**Sunday, April 13 – South Asia.** The city where I live is a relatively modern city with over 6 million people, most are Muslims. Please pray for me as I lead a training for believers designed to share the Gospel and their testimony especially to the Muslims. Pray not only for me as I lead the training but pray for those receiving the training.

**Sunday, April 20 – South Asia.** Pray today for my fellow missionaries who work alongside of me. Pray for us to remember our risen Christ today as we do not celebrate Easter in this country as you do in the U.S. Pray that our hearts will be joyful in knowing that He is Risen!

**Sunday, April 27 – South Asia.** Pray that no matter what obstacles and challenges arise, I will always look to God for my strength and wisdom. Abiding in Christ is the number one responsibility of every missionary. Pray for my relationship with the Father to grow and I become more dependent upon Him.
