April Prayer Guide - C.E. (initials given for security) South Asia

Sunday, September 7 – South Asia. Greetings again South Main, I am IMB missionary C.E. Sadly, I cannot provide you my real name or show my identity because I serve in a closed country, where it is unlawful to share the Gospel. I graduated from Lander University and know several of your church members including Andy. Prior to this new assignment I served in West Africa for 7 years. With this new opportunity, I am looking to expand my prayer network with churches like SMBC. Here is how you can pray for me today. Continue to pray for my language learning. I have now been on the field for 12 months. Many people in this urban city speak English, but I want reach proficiency in the heart language of the local people.

Sunday, September 14 – South Asia. The city where I live is a relatively modern city with over 6 million people, most are Muslims. Please pray for me as I lead a training for believers designed to share the Gospel and their testimony especially to the Muslims. Pray not only for me as I lead the training but pray for those receiving the training.

Sunday, September 21 – South Asia. Pray today for my fellow missionaries who work alongside of me and also for the persecuted believers. Pray for them to stand strong and not live in fear but rather live boldly, faithfully and courageously.

Sunday, September 28 – South Asia. Pray that no matter what obstacles and challenges arise, I will always look to God for my strength and wisdom. Abiding in Christ is the number one responsibility of every missionary. Pray for my relationship with the Father to grow and I become more dependent upon Him.
