March Prayer - Becca Karel, South Korea

**Sunday, March 2 – Becca Karel, South Korea.** We have to be out of our building in Yeosu by the end of March. Currently, we are still tearing down walls. The renovations and move must take place within one month. Please pray for the renovation and for more workers and volunteers to help

**Sunday, March 9 – Becca Karel, South Korea.** I am the MK (missionary kids) instructor for MTI (Missionary Training Institute of Asia) and so I am teaching English to missionary kids. I am also leading parents and prospective missionaries in one on one trainings. Please pray for me to have wisdom as I teach and for the minds of those learning.

**Sunday, March 16 – Becca Karel, South Korea.** I am in language lessons learning Korean. Several staff members have volunteered to teach me. Although enjoyable, it is a difficult language to learn. Please pray that I will absorb all that I am being taught.

**Sunday, March 23 – Becca Karel, South Korea.** We have several staff members and teachers flying in from Europe, US, and Australia at the end of this month and next month (March/April). Please pray for their safety in traveling as many are apprehensive of planes with the current political climate of the country to the north.

**Sunday, March 30 – Becca Karel, South Korea.** Please pray that I do not exchange my intimacy with God for being on mission for God. Pray that I maintain and thrive in my daily relationship with the Lord. Pray for me to know the power and imagery of John 15 (connected to the vine).
