## Evangelism & Church Planting

Travel with other South Main mission volunteers to work alongside our existing national partners in rural Ukraine in the area of evangelism and church planting. For the last 25 years, our church has partnered with Pastor Nikolai Dayneka to offer evangelism training opportunities in small rural churches, food bag assistance to hungry families, medical care, pastor training and more. Volunteers will have the opportunity to share the Gospel with elderly individuals who once lived under the heavy hand and watchful eyes of the former USSR and were prohibited from having Bibles, church gatherings or other religions materials.
